

## A WORD FROM OUR PRESIDENT

I hope you are saving March 26-29, 2020, for your trip to the South Central Jurisdiction United Methodist Women's Quadrennial Event, at the Statehouse Convention Center in Little Rock, Arkansas.

This event has always been a highlight of my journey with United Methodist Women. We have the opportunity to learn more about our mission projects, make new friends, enrich our faith and challenge each other to do more for those we serve.

To celebrate 150 years of service I am asking each conference to bring their 2018 Assembly conference banner and stand plus at least one older banner prior to 2018. These banners will be used in the opening session.

UMW has adopted new **"BE JUST, BE GREEN"** traditions for the 2020 SCJ UMW Event:

- **Electronic Programs** are online for tablets & smartphones. Pre-order printed programs to receive at check-in for \$7.
- **Bring Your Own Tote Bag** to eliminate trash and waste.
- **Bring a Reusable Water Bottle**

The Marriott Downtown Little Rock is a gorgeous hotel. They are extending the group rate of \$139 for two queen beds for three days before and after our event so you can explore beautiful Little Rock, Arkansas. The UMWSCJ.org website will have the hotel link for the group rates later this fall. To receive the group rate, **please do not reserve rooms prior to the opening of hotel registration.**

May God bless you,

Charlotte Morrow  
President, SCJ

### SOUTH CENTRAL JURISDICTION SCHOLARSHIP AWARDS

To encourage and assist more women to attend the South Central Jurisdiction Event, scholarship award money is available for those who need financial assistance. Each conference treasurer will receive \$600 from the SCJ Committee for scholarships. Each conference will determine how to select the recipients and how money will be divided. Contact your conference treasurer about how to apply for this award money.

-Romans 1:5-6

To Little Rock, Arkansas March 26-29, 2020!

JUNE 2019 | PAGE 2

Our 2020 Quadrennial theme, “Calling u,” is based upon Romans 1:5-6. Throughout the conference we will highlight the UMW priority concerns for this quadrennium: economic inequality, climate change, criminalization of communities of color, and maternal and child health. This theme is reflected in our service projects, gatherings, workshops, mission fair and films.

**UBUNTU WORK TEAMS** (Thu, 9 am–noon, \$40, pre-register)

- **HEIFER INTERNATIONAL** has worked with communities to end world hunger, poverty, and care for the earth for 75 years. Heifer is supported by many UMC congregations and is headquartered in Little Rock near the hotel.
- **LITTLE ROCK ARKANSAS FOOD BANK** began in 1982, when rice farmers found themselves with a surplus crop and hungry neighbors. They soon added a backpack program for school children, and now serve families, children and seniors throughout central Arkansas.
